

**Teaching Assistant
Ben Roulston
Teaching Evaluation Typed Comments – Spring 2016**

PH131-96

a) the course:

- There is not enough examples in the lectures.
- Hard

b) the instructor's teaching:

- Ben is great at teaching physics.
- Ben was very good.
- He was nice, didn't care if you were late and he made it so we understand the material.

c) What improvements would you suggest?

- Have Ben teach physics instead of Dr. Melnikov.
- Do not have Melnikov teach Physics.
